Enrolment Details

Your PIN (Personal Identification Number) will be sent by return email shortly.

Kindly note this along with other PIN numbers you may have, as this will enable you to securely use your miles and monitor your account activities.

We suggest that you print this image of your card, as this will be your Royal Orchid Plus identification until you attain Silver status.

After printing, kindly write your full name, as stated in your enrolment, in the space provided. Be sure to quote your Royal Orchid Plus membership number, or have your travel agent do so, when making reservations with THAI, Star Alliance airlines and all Travel Partners as this is the key to automatic mileage credit. Presenting your card at check-in will also help to ensure accurate mileage credit.

Retain all boarding passes, tickets and receipts with travel partners until mileage is credited to your account. For miles with Star Alliance airlines not automatically credited, ORIGINAL boarding passes only and legible ticket copies must be submitted to the Members Service Centre or your local THAI office within 6 months of the flight date. Claims for THAI flights can be made conveniently online.

Once you have accrued 10,000 Qualifying Miles* from the date of your enrolment up to December 31 of the same year, or in the next complete calendar year, or 15,000 Qualifying Miles in two calendar years, your personal Silver status card and will be mailed to you.

We look forward to welcoming you onboard THAI as a frequent flyer and valued member of Royal Orchid Plus.

**See Status and Benefits for details of Qualifying Miles.*
